"There's no reason for the establishment to fear me. But it has every right to fear the people collectively. I am one with the people."

Huey P. Newton

About this capture

- Please note that #BlackLivesMatter is a network predicated on Black self-determination, and BLM Chapters reserve the right to limit participation based on this principle.
- Please be aware that BLM Chapters have varying membership policies, and may or may not be accepting new members at this time. Also note that membership requirements vary by chapter.
- Lastly, expect some delay in response to your inquiry.

(We exercise the right to ban any IP address we find sending harassing content.)

Click a button to contact each chapter.

This is the Official #BlackLivesMatter Organization founded by Patrisse Cullors, Opal Tometi, and Alicia Garza.

#BlackLivesMatter is an online forum intended to build connections between Black people and our allies to fight anti-Black racism, to spark dialogue among Black people, and to facilitate the types of connections necessary to encourage social action and engagement.
