Free & Open Internet

The free and open internet is a powerful tool for everyone fighting for social change and racial justice. But companies like AT&T, Comcast and Verizon — and their government allies — want to destroy it.

Net Neutrality ->

Net Neutrality keeps the internet free and open — enabling anyone to share and access information of their choosing without interference. Our Save the Internet campaign fights for Net Neutrality.

Internet Access ->

Affordable high-speed internet access is a necessity for our communities and central to our ability to connect, communicate and organize for justice.

Our Work on the Free & Open Internet

How can we keep the internet open and affordable for all? Why is access key to realizing a just society?

EXPLAINER

Silver Linings to Today's Net Neutrality Court Loss

A federal appeals court largely upheld the Trump FCC's destruction of Net Neutrality. But that's not the whole story.

INSIGHT & OPINION

The Truth About the Digital Divide

A recent Washington Post Op-Ed claims that the digital divide persists because some people just aren't interested in getting online. This is flat-out wrong.

STORY FROM THE FIELD

A Powerful Look at the Impacts of Online Hate

A Change the Terms webinar explored the abuses that activists, people of color and other vulnerable communities have endured as the result of trolling campaigns.
