1	Note 1 - Part VIII	Note 1 - Part VIII	Effective October 1, 2007, the Foundation established a Group Long Term Care Insurance Plan covering employees with ten years of service, consultants with ten years of service as an employee and their spouses and domestic partners. The plan provides, among other things, that after premiums have been paid for ten years for an employee and the employee spouse or domestic partner, their coverage will be automatically renewed for the rest of their lives without any further premium payments. Effective October 1, 2008, the foundation established a Group Life Insurance Plan covering employees with ten years of service and their spouses and domestic partners. The benefit for the employee is a permanent individual life insurance policy of \$500,000 (\$250,000, if compensation is less than \$100,000), while the benefit for the spouse or domestic partner is a similar policy in the face amount of \$250,000. The individual policies are owned by the employee and are issued under the group plan. Each employee policy is designed to be fully funded after the payment of five annual premiums by the Foundation (approximately seven years as to each spouse or domestic partner policy).
