Defending Democracy Together

What is Defending Democracy Together?
Defending Democracy Together is a non-profit organization for conservatives committed to defending democracy and preserving the rule of law.

Why do we think this organization is important?
Democracy Fund Voice is committed to supporting voices across the political spectrum who stand up for our democratic norms and institutions. We believe that checks and balances and the rule of law are essential features of our constitutional system that help protect against abuses of power.

One of the key initiatives of Defending Democracy Together is the Republicans for the Rule of Law (RROL) project, encouraging conservatives to uphold the rule of law and defend democratic norms, institutions and principles. By engaging with those on the right through media, op-eds, and advertising, RROL seeks to ensure that anti-democratic rhetoric and actions do not go unchallenged.

How is Democracy Fund Voice supporting Defending Democracy Together?
In 2018, Democracy Fund Voice approved a total of 5 sub-awards to support Defending Democracy Together and its Republicans for the Rule of Law project.
